Investors Presentation

H2 & FY2025-26

20th May 2026

Disclaimer

This Presentation is intended to provide the general information about the Company's business as at the date of the Presentation. The information contained herein is for general information purposes only and based on estimates and should not be construed as a recommendation to subscribe/purchase the shares of the company. The Company makes no representation or warranty, express or implied, as to, and does not accept any responsibility or liability with respect to, the fairness, accuracy, completeness or correctness of any information contained herein.

This presentation may include certain forward-looking statements. These statements are based on current estimates, expectations, forecasts and assumptions that may be subject to certain risks and uncertainties. The actual outcomes and results may differ materially from those statements. Important factors that could cause actual results to differ materially from our estimates include, amongst others, general economic and business conditions in India and abroad, ability to successfully implement our strategy, our growth & expansion plans and technological changes, changes in the value of the Rupee and other foreign currencies, changes in interest rates, changes in applicable laws and regulations, increasing competition, changes in political conditions in India or any other country and changes in foreign exchange regulations in India. Neither the company, nor its Directors and any of the affiliates or employees have any obligation to update or otherwise revise any forward-looking statements. The readers may use their own judgment and are advised to make their own calculations before deciding on any matter based on the information given herein.

Executive Summary

- FY 2025-26 was the year Qualitek Labs delivered commitment of ₹125 Crore Consolidated Revenue — a four-fold increase over FY24, and the strongest set of results since we listed on the BSE in January 2024.
- A humble beginning in 2018 by a team of Corporate Professionals by acquiring an Automobile Testing Lab in Pune, formerly established by a reputed MNC.
- SME IPO in January 2024 at an issue price of ₹100/- per share. Listed on BSE at ₹200/- per share on Day 1 of listing. Current m-Cap stands at over ₹400 Crore.
- Acquired Interstellar Testing Centre in 2024-25 to strengthen footprint into Lifesciences business viz. Pharmaceuticals, Food & Feed, Nutraceuticals, Cosmetics, etc.
- Currently having a pan-India network of 10 owned Labs and 6 PPP Labs with a strong team of 1200+ colleagues, covering the entire scope of TIC services with a highly diversified portfolio.

Nationwide Operations

Location	Services
Pune – Unit –I & II	Automotive Testing (EV battery, electrical systems, vibration, durability, corrosion, emission testing); Defence Testing; Electrical & Electronics Testing; Mines & Minerals Testing; Infrastructure & Building Materials Testing; Pharma Packaging & Medical Device Safety Testing
Noida	Electrical & Electronics Testing (advanced lab with VOC testing); Automotive Testing; Mines & Minerals Testing; Medical Equipment Testing
Bhubaneshwar Unit –I & II	Minerals & Metals Testing (Coal, Iron Ore, Chrome, etc.); Food Testing; Environment & Water Testing; Drugs & Pharma Testing; Infrastructure & Building Materials Testing
Paradip	Mines & Minerals Testing (onsite, port cabin facilities for coal & ores)
Panchkula	Drugs & Pharma Testing; Ayurvedic & Herbal Testing; Food Testing; Cattle Feed Testing; Environment & Water Testing; Infrastructure & Building Materials Testing; Cosmetics Testing; Medical Equipment Testing
Chennai	Food Testing; Environment & Water Testing; Cattle Feed Testing; Cosmetics Testing
Bangalore	Pharmaceuticals & Cosmetics Testing for USFDA and EU regulatory markets
Mumbai	Food Testing; Cattle Feed Testing, Environment & Water Testing;

International Collaborations

STC - Hong Kong for Automotive, VOC, and Electrical & Electronics Testing

Prime Certification - Dubai for Inspections, Certifications, Technology Transfers and Geo-technical surveys.

GALAB - Germany for Food testing and **HCS - Netherlands** for export Homologation

QAV - Malaysia for Automotive, Electricals and Electronics testing
RID-China for Food & Cosmetics testing.

ITC - Czech Republic for Automotive analytical services and **IMAT UV - Malaysia** for Automotive & Emissions Testing

Bureau Veritas – France and China for Auto. & Emissions testing

ITC – Japan for EMI/EMC and Electricals & Electronics testing

Key Growth Drivers

Transport, Defence & Mechanical

40–45%
of Consolidated Revenue

- Strong presence in West and Northern regions
- Geographic expansion in South region in FY27

Pharma

15–20%
of Consolidated Revenue

- Strong presence in North region
- Expansion underway in South; West expansion in next 2 years
- Acquisition of USFDA lab underway, commercial by June 2026

Food & Feed

25–30%
of Consolidated Revenue

- Pan-India presence across North, South, West and East regions
- Expansion on-going in all regions — Capacity & Scope
- Hyderabad acquisition expected to complete by June 2026

Emerging Business

Growth Verticals

- Inspection, Audit & Certifications
- Medical Devices • Packaging Material
- Energy • Oil & Gas • Consumer Products
- Fumigation Testing

Strategic Initiatives & Capex Allocation Strategy

Strategic Initiatives FY2025-26

- **Capex Light Business Module**
- Inspection, Audit & Certification
- Environment & Sustainability
- Mineral Labs
- Building New Capability in Existing Business
- Cross Selling across Regions
- Geographic Expansion
- Lab Process Outsourcing
- Infrastructure Building

Strategic Initiatives FY2026-27

- Hub and Spoke Module Lab Network across India
- Digitalization
- Technology Solution
- Margin Growth
- Selective Acquisitions In India
- Overseas Business Expansion
- **Specialized Services in Core Business**
- EMI/EMC
- VOC
- USFDA Accredited Lab in Pharma

Capex Investments: FY2025-26

- Invested INR 51.3 Cr in Capex during FY 2025-26.
- Acquisition of Food testing lab in Mumbai
- Operationalized 2nd lab in Bhubaneswar
- Capacity expansion of Pharma and Food labs in Panchkula and Chennai
- New scope addition in Transport and Defence segments
- Setting-up VOC testing facility in Noida
- **Acquired land & building in Barwala, Panchkula for future expansion ★**

Capex Strategy: FY2026-27

- Plan of INR 63 Crore Capex in FY2026-27.
- M&A opportunities across Pharma, Food and Electricals & Electronics segments
- Further capacity expansion of Food labs in Mumbai, Chennai and Bhubaneswar
- Accreditation for Inspections, Audit, Certification and Fumigation business
- Geographic expansions in Transport and Minerals segments
- New Revenue Streams — Set-up EMI/EMC in Pune and Analytical lab in Noida

Way Forward

FY27 Expectations

Revenue:

Deliver **35–40% revenue growth**, driven by geographic expansion and new segment additions.

EBITDA:

We expect to Expand **EBITDA margins by 25-26%**, reflecting operational leverage and cost discipline.

PAT:

Achieve **PAT margins of 15–17%**, underpinned by improved profitability across core business segments

Medium Term Goal

- Be One of the Leading Global lab by 2031-32.

STRATEGY TO ACHIEVE ASPIRATIONS

01	Geographic expansion in automotive sector in South India	02	Strengthen M&A activity in Pharmaceuticals and Food segments	03	Further geographic expansion in Food testing — West and East regions
04	Cross functional synergies and KAM strategy	05	Strengthen Lab Process Outsourcing (LPO) — Pharma, Food, Oil & Gas, Semi-conductors, Environment	06	Initiate Audit, Certification & Fumigation towards 'Low-capex' business model
07	Operational excellence to optimize cost and improve profitability	08	Retain and recruit best talent to strengthen operational capabilities	09	Capability development for new products in Food and Minerals segment

Homologation & Certification Consultation

Our Objectives

- **Vehicle & Component Certification**
Providing consultancy for certification through government-recognized testing authorities.
- **Export Homologation Guidance**
Helping international clients align with Indian regulations for seamless export certification.
- **Standards Harmonization**
Consulting on the alignment of Indian and international homologation standards.

Case Study

Zoomlion (China) – Export homologation consultancy for **off-road vehicle certification**.
